

Sound Services

Select both an Input option and an Output option to best fit your event type and size. Then, choose any Add-ons for more speakers or wireless microphones.

Inputs

Every sound event has inputs. Inputs include microphones, instruments, laptops, phones, etc.

Small
\$50 Music and up to 2 additional inputs. Great for speeches, and playing music with occasional announcements.

Medium
\$75 Music and up to 8 additional inputs. Great for panel discussions, a capella shows, and small on-stage performances.

Large
\$150 Unlimited inputs. Great for bands, concerts, and large on-stage performances.

Speakers

House
\$0 Use the speakers built into the room. Only available in some locations.

Small
\$80 Two small speakers. Great for background music or speeches in a smaller space.

Large
\$120 A pair of speakers for an event in a large space with more people. Great for concerts, bands, and stage shows.

Add-ons

Wireless Microphone
\$10/ea Wireless microphones can easily be added to any input level, increasing flexibility for the performer and reducing stage clutter.

Subwoofers
\$50 Subwoofers add more bass. Great for concerts, bands, or just playing music.

Stage Monitors
\$30 Speakers for people on the stage. Highly recommended for bands and on-stage performances.

Area Fills
\$20 Additional speakers to fill a large or oddly-shaped venue.

How to Book an Event

1. Submit a work order using our online tool at lnl.wpi.edu/workorder **more than 2 weeks ahead of your event.**
2. Contact us if you would like to discuss your event in person.
3. Your work order will be reviewed, and we will contact you with any questions.
4. Your event will be approved once LNL determines whether services can be provided.

Other Services

Rigging

Rigging involves hanging truss from the ceiling to allow for overhead mounting of lights. The workorder submission tool will help you determine if rigging is recommended.

Basic \$60

A single length of truss. Often necessary for events in Alden, Harrington, Odeum, Recreation Center Courts, and the Quad.

Advanced \$120

Multiple lengths of truss. Most often used for events in Alden and Harrington.

Power Distribution \$40

Heavy duty power distribution for your large equipment such as food warmers or power to many tables for attendees. Not necessary for small electronics that just need an extension cord.

Projection

LNL offers 16mm, 35mm, and 70mm film as well as digital projection (DP) services in the Fuller Upper theater. For more details and full projection pricing, please see lnl.wpi.edu/pricelist-full.
